To Whom It May Concern:

In support of our Nightcliff Seabreeze Festival Funding Application

The Jamealah Bellydancers strongly support the NSF and have been involved with the festival since it's inception in 2005 as a part of the Community Parade, Community Village, Dance Stage and Festival Week over the years. The festival offers our child and adult students a wonderful performance opportunity to showcase our dance to the festival audience.

In addition, this festival offers us a unique option to work with local and interstate musicians to create performance art that travels through the festival and allows interaction with festival attendees.

Every year we are challenged to present new original works that have been developed with this festival in mind.

I hope the NSF funding bid is successful! Please feel free to contact me for any further information.

Regards,
Myf Powell
