To Whom it May Concern

I am writing in support of The Dance Stage's application for sponsorship for the Nightcliff Seabreeze Festival.

This festival is an iconic event in the Nightcliff community and marks the beginning of the dry season each year and thus the beginning of the tourism season.

The Dance Stage is the key attraction for festival visitors and participants and during the 2015 festival, it hosted 673 performers over the day.

The stage and surrounding area must to be able to safely accommodate all performers and requires larger seating banks, a bigger stage area, change rooms and improvements to lighting.

I recommend supporting The Dance Stage's application for sponsorship as it will enable the festival to continue to expand its operations and provide a suitable facility for local and remote dancers to showcase their talents.

Kind regards
