Welcome

City of Darwin continues to be a proud sponsor of the Nightcliff Seabreeze Festival in 2017.

Now in its 12th year, the Seabreeze Festival encapsulates the diversity and interconnectedness of Darwin's vibrant community.

Pablo Picasso once said "everything you can imagine is real" and Seabreeze truly brings these words to life. There's a great variety of talented singers, artists, performers and storytellers on show to entertain and inspire the local community.

One of my favorite things to do at the Seabreeze Festival is to simply soak in the colourful atmosphere as I walk along the foreshore.

Whilst you're here, make sure you head down to Council's FREEPS at Nightcliff Pool. Activities this year include ping pong, a jumping castle and giant games. Our Community Village also has an array of attractions including the Darwin & Districts Pipe band, bellydancers and a demonstration of the ancient Chinese art of Chi Kung.

See you there!
