10th Anniversary Nightcliff Seabreeze Festival 2014

WELCOME FROM THE CHAIR

Every May Day weekend for the past ten years, the Nightcliff foreshore has come alive to music, dancing, spoken word, visual arts and feasting in a vibrant celebration of community and culture.

Thousands of locals and visitors come out to enjoy the day's activities that stretch into the balmy evening of the early tropical dry. And with events and attractions spread out along 1.5kms of the Nightcliff shore, this festival suggests taking a leisurely promenade to enjoy the cultural variety and the laid back relaxed atmosphere that shows Darwin its best self.

There are a wide array of wining and dining options that allow you to spend a full day here to appreciate everything Seabreeze has to offer.

There are many opportunities for fun, entertainment and participation on Seabreeze Day and then throughout the 8 days following right up until The Grand Finale Gig at the Beachfront Hotel on Saturday 10th and the Sunday 11th Nightcliff Markets Special Guest performers.

This annual event is all about the local community. It has grown steadily over the last ten years and we are proud to be celebrating our 10th Seabreeze Festival in 2014 and look forward to the future and the growth of this wonderfully inclusive event.

The list above certainly doesn't do justice to the contributions made by those partnering the event and in turn those taking part, such as our long-standing volunteers, local schools and arts and cultural groups, while not forgetting our fellow not-for-profits joining us in the Community Village. All adding value to what can only be described as a very special event.

MESSAGE FROM THE LORD MAYOR OF DARWIN, KATRINA FONG LIM

It is always a pleasure for me to be involved with the Seabreeze Festival on the Nightcliff Foreshore. I enjoy seeing our community out and about enjoying our beautiful coastal space, and being part of this unique event.

Darwin is such a great place to call home. I love it for its tropical climate and liveability as well as the opportunity and choice it offers its people.

The Seabreeze Festival is a success due to the participation of so many community groups and community minded individuals – this is an event that helps keep the spirit of Darwin alive. We Darwinians are known nationally as a tough and resilient bunch, and through local events such as this we build on our strong community ties and help grow

new connections.

City of Darwin has coordinated another great FREEPS event this year at Nightcliff pool. Make sure you head over for a refreshing dip and enjoy the many activities for the kids. There will be jumping castles, circus workshops and a giant crocodile obstacle course.

In the Community Village area, stop by and chat to our Animal Education whiz, who can update you on dog and cat registration, microchipping and de-sexing as well as offering advice on all aspects of taking care of your dogs and cats.

This event comes to life each year due to an enthusiastic group of organisers who work hard to create a vibrant atmosphere and line-up of performances and displays. I applaud their commitment to delivering an event which is accessible and fun for all involved.

Congratulations on your 10th birthday Seabreeze!

HISTORY 2004-2014

Nightcliff Seabreeze Festival began, and remains, a volunteer run festival. In 2004 a group of artists, small businesses and community organisations joined forces to create a community festival.

A year later we became an incorporated, not for profit organisation. NAMCI, Nightcliff Arts, Music and Culture Incorporated.

The aim of the Festival has held strong in providing a local forum for all facets of the arts. These include but are not limited to: visual arts, music, dance, circus, information forums and health & wellbeing.

Performance platforms provide opportunities for our artists to grow and develop while encouraging cross cultural diversity and collaboration amongst our community.

Staging an event such as this has been built on long standing collaborations and partnerships across the wider community.

NAMCI Membership

Is always open and new members are welcome all year round.

Visit the website www.nightcliffseabreeze.com for further information and contacts.

Our Annual General Meeting will occur soon after Festival Week.

We welcome all new members!
